Licensing Information

Ronny Smith creates contemporary jazz instrumentals that blend jazz, soul, funk, blues, gospel, and Brazilian influences. His music is well suited for luxury lifestyle, travel, hospitality, real estate, documentary, television, streaming, and branded content projects. Ronny's music has been featured on Brazilian television and has generated international performance royalties. Documented performances include the Brazilian television series *Casos e Acasos*, with additional ASCAP international royalty statements reflecting performances in connection with *I, Robot*, *My Fellow Americans*, and *Vampire in Brooklyn*.

The Buzz

This CD, as his previous ones, has been a growing process for this talented guitarist. And this continuous quest for the best guitar sound results in a highly recommendable CD, which gets him closer to greatest jazz guitarists such as Wes Montgomery and George Benson. – by Akbar Nour
